

JEE (Main) 2017 Result

All India Rank

474

Marks : 293 / 360 (63*)

Mudit Soni

Pinnacle Integrated School Program

I am Mudit Soni, from FIITJEE Indore. I joined FIITJEE in class 11th through FTRE. At the start I started from low ranks of 22nd to 24th and 22nd, 24th in the beginning tests and along the way the hardwork and guidance of FIITJEE team became evident as I gradually rose from 10th, 5th and eventually 1st. The overall environment of class was set to a competitive level and teachers constantly motivated us. Small batch size imp enhanced teacher-pupil interaction which in turn provided a solid foundation. High quality questions from packages provided more than sufficient practice needed to excel in competitive exams.

However, JEE competitive exams wasn't only the aim here at FIITJEE. Boards carried equal importance and in depth explanation was provided for every topic. National level exposure is a boon for JEE preparations and AITSS, AI²TS served this purpose well.

Finally, I thank my teachers at FIITJEE Indore for all their hard work and support.
